EXPERIENCE

Panda Express, Chef

November 2021 — April 2022

- Worked on the back-end experience of cooking at a rapid pace
- Learned to balance my work and my academic lives
- Utilized my communication skills from HomeGoods and developed a keen relationship with the customers and team

HomeGoods, Sales Associate

December 2019 — April 2021

- Worked on the front-end to hone my communication skills with customers
- Learned to adapt to any possible situation with flexibility

EDUCATION

Certified Cloud Practitioner, AWS

November 2022 — Present

Created a resume website utilizing my skills with programming and AWS

- Built out the entire website using the AWS, HTML, and CSS
- Worked on making the static website public by using AWS S3
- Launched a secure website using CloudFront to implement https
- Implemented my own dns server and hosted a zone using route 53

Technologies: AWS, Javascript, HTML, Java, CSS, Python

University of Pittsburgh, Computer Science, Bachelors of Science

August 2022 — Present

- Member of the Computer Science Club
- Perspective in Computer Science, Intro to Computer Science Programming, and Intro to Computer Science Programming Applications

Gateway Senior Highschool

2018 — 2022

- AP Computer Science A
- AP Computer Science Principles
